

Challenge: Choose a book cover that appeals to you and read the story inside. Do you find that when looking for a new book to read, the packaging of pictures and typeface intrigues you to pick up the book? You may not recognize the author or know anything about the story, but the cover imagery “speaks” to you and that’s how you decide to commit to read the book. For this challenge, read a book just because you like the cover.

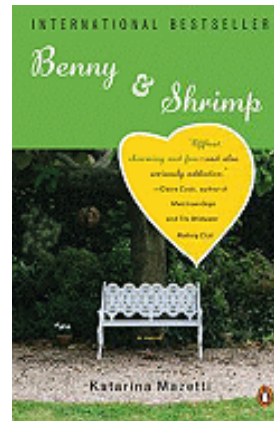

Reading ideas:

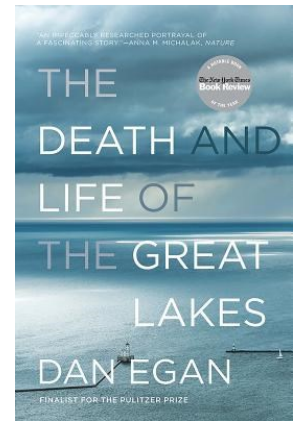

This Is How You Lose Her
Junot Díaz

Between the World and Me
Ta-Nehisi Coates

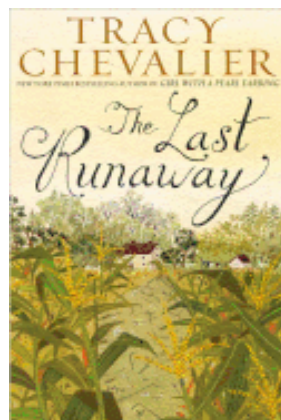

Benny & Shrimp
