

Challenge: Read a nonfiction book. Why read nonfiction? Nonfiction books can be informative, engrossing, and life altering. They cover a range of subjects, including: biographies, memoirs, current events, personal growth, religion, psychology, political ideologies, dieting, inventions, travelogues, hobbies and crafts, cooking, science, and history.

Find more on www.infosoup.org by searching for "[Biographies](#)", "[Self-Help](#)", "[True Crime](#)", or other subject to find just the right book for you.
