

Challenge: Read a play. A play is the script and stage directions portrayed by actors on a stage.

Extra challenge questions: How do you find that reading a play differs from reading a novel or a work of nonfiction? Can you picture the characters acting out each scene? When you are reading dialog, do you act out different voices for each character?

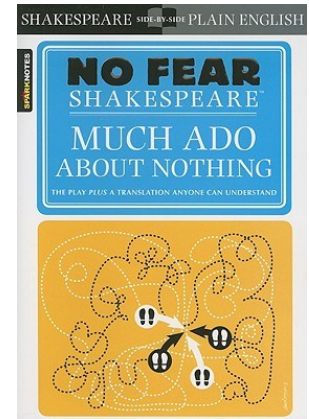

Reading ideas:

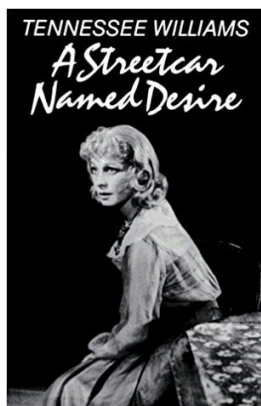

Hamlet
William Shakespeare

Romeo and Juliet
William Shakespeare

Much Ado about Nothing
William Shakespeare

A Streetcar Named Desire
Tennessee Williams

Our Town
Thornton Wilder
